**From the Master:**

Brethren,

It is hard to believe that another legislative session has come and gone, but the calendar does not lie. Yet we still have work to do, so please join us for our final meal and meeting of the year. While my time as Master has passed more quickly than I would have liked, the work of the lodge will go on, it is my hope that our final meeting will bring more of us together in brotherhood than at anytime so far this year. Even though our legislative duties have slowed for the summer, our lodge calls us to duty one more time, before darkness prevails. Please help us open the lights one last time this year.

Shawn Jasper, W.M.

Freemasonry must stand upon the Rock of Truth, religion, political, social, and economic. Nothing is so worthy of its care as freedom in all its aspects. "Free" is the most vital part of Freemasonry. It means freedom of thought and expression, freedom of spiritual and religious ideals, freedom from oppression, freedom from ignorance, superstition, vice and bigotry, freedom to acquire and possess property, to go and come at pleasure, and to rise or fall according to will of ability.
