**From the Master:**

Brethren,

I hope this finds you well and able to enjoy the spring season. It is hard to believe that May is here already and we only have two more meetings this year. Upon discussion of the lodge, I am happy to inform you that we will be hosting a family cookout/potluck on Saturday June 19 at the lodge in Concord. Please feel free to bring your families and please let the secretary know if you will be coming and can bring something with you. If you haven't been to lodge yet this year please take the time to join us, as always there will be plenty of good food and good friends.

Fraternally,

Shawn Jasper, Worshipful Master

Paul Smith, Secretary

I have ever felt it my duty to support and encourage the principles and practice of Freemasonry, because it powerfully develops all social and benevolent affections, because it mitigates without, and annihilates within, the violence of political and theological controversy; because it affords the only neutral ground on which all ranks and classes can meet in perfect equality, and associate without degradation or mortification, whether for purposes of moral instruction or social intercourse.

-Earl of Durham
