### **MASTERS MESSAGE**

Dear Brethren,

This is my last master's message for the foreseeable future. I want to thank all of the Officers for all the help I've had this past year.

As well as to thank every one for the privilege of allowing me to be Master of Blazing Star Eureka Lodge a third year. I believe it has been a most productive year and we have many new Masons to show for it. This coming year should be very busy as well. Our new Worshipful Master will need plenty of help to keep things rolling along.

The Semi-public Installation of Lodge Officers will be February 21st at 1:00pm. I encourage all to attend with your families. Lunch will follow the installation in our dining room. Anyone who would like to bring a food item, please feel free to do so. This month we will have another triple EA Degree on Feb. 10th at 7:30pm, We would like to have another great turnout of Brothers on the sidelines for this Degree so please mark your calendars and plan to attend. With a small amount of pride, I would like to note that it's the third month in a row we have had three EA Candidates for their degree. Light refreshments to follow the degree in our dining room.

Rehearsal for the FC Degree will be Feb. 17th at 7:00 pm

We will have a FC Degree, Feb. 24th at 7:30pm for Brothers Val Faust, Mark Gelinas, John Howlett and any others we can have ready by then. As usual, light refreshments in the dining room will follow the Degree.

Also for those who would like to attend, the Concord Masonic association has it's annual meeting Monday Feb. 8th at 7:00pm

Well that's it for me, Hope to see you all in Lodge this year.

Fraternally,  
*Mark S. Hayes*, Master

Knights please take due notice: we will be voting to change the Mt. Horeb by-laws so that we meet on the third Tuesday of the month. We will be meeting on the same night as Chapter and Council. Our goal is to have one productive meeting each month to complete regular business for all three bodies and use any other Tuesdays as needed for special meetings and degrees.

Commandery Inspection in Concord on March 13th.
