### IT'S YOUR RITE

Let your love of NASCAR auto racing become an act of charity by joining the "Team Valley" work force of volunteer Masons for up to three days of races in June at the New Hampshire Motor Speedway, Loudon, NH. All Brother Masons and their Ladies are welcome and encouraged to participate in this day-at-the-races work program. Here's the deal: You help out, taking tickets and such, and NHMS will pay your wages directly to the Valley of Concord, A.A.S.R., to support its charitable programs. The work is easy. The people are interesting. The cause is good. We're in need of a few good men – and women, too – to staff any or all of the NASCAR events on **June 25, 26, 27**. Contact Bro. Eric R. Cable at [cableeric22@hotmail.com](mailto:cableeric22@hotmail.com) for more info.

## MASTERS MESSAGE

Dear Brethren,  
I trust everyone has had a wonderful spring. The weather is getting warmer, the grass is getting longer and the bugs that bite are getting bigger. We are entering our final month before darkness and we have much more work to do. We still have 3 degrees that need to be completed. I am hopeful that we will be able to complete a few more. We have a big list of brothers who have not made progress in their degree work in quite a while.

The Entered Apprentice Degree we had scheduled for May was cancelled do to the candidate having a pressing medical issue. He will be rescheduled again in June for his degree. The Fellow Craft Degree is also being rescheduled for the end of June. Brother Houle is still having difficulty with his leg.

The lodge grounds need to be tended to. I would like to plan a work crew for a Saturday sometime this month. We started working on the grounds last year and I think we should keep up regular maintenance in order to avoid what we went through last year.

If you know a brother who has not gotten to Lodge in a while, give him a call and see if he needs a ride.

Fraternally,  
*Michael J. Hayes, Sr.*, Master
